

God has consistently blessed us with fantastic facilities to meet in. In our current season, the Clemson Church of Christ has been extremely generous to us in this regard. It is important that we aren't simply 'good tenants' but that we are a blessing to them.

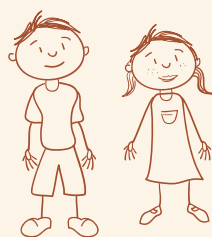

## PARKING

Parking is allowed in the lot behind the church as well as in the Abernathy Hotel parking lot. Please keep spaces near the building available for those who may need some special assistance to get in the building. If you have a Clemson parking pass, please park across the street on Williamson Road.

## MAIN SANCTUARY

The heater is currently in need of repair, so please come prepared for the sanctuary to be a bit cool. Before we leave each time, please make sure any trash is picked up and the sanctuary is neatened up.

## KIDS CLASSROOMS

Kids classrooms need to be vacuumed and neatened before we leave.

## WEEKLY CHORES

All trash needs to be taken out and trash bags replaced.
